

MENTAL HEALTH SUPPORT TO PATIENTS &
FAMILIES AFFECTED BY CHILDHOOD CANCER

WWW.SHINEBRIGHTSUPPORT.CO.UK

Who are we?

WE ARE A CHARITY founded by a family that have experienced childhood cancer and all the upheaval it causes. We understand how difficult it is for every member of a family when a child is diagnosed with cancer. We have experienced the trauma childhood cancer causes and want to support the child, their siblings, parents and even grandparents. Our aim is to help families in as many ways as we can by:

Providing care packages for newly diagnosed families.

Create a network of support including online groups, parent groups and contact with a patient/parent/sibling/grandparent that has experienced childhood cancer and offer practical advice where needed.

On referral from a medical professional, fund counselling and other therapeutic interventions for patients and family members suffering the effects of trauma as a result of childhood cancer.

Raise funds to place a mental health professional, one day a week, at the Great Western Hospital (GWH) in Swindon.

Raise awareness of childhood cancer and the impact it can have on the mental health of the whole family.

our plan

We are a small charity with big ideas. We are currently concentrating on families that are treated at Oxford Children's Hospital and the 'split' site hospitals that offer treatment when the child is at home. In the future we would like to support families and children in treatment all over the country. We also hope to develop training and education packages for professionals that have contact with families, who have received treatment, to help them understand the impact of childhood cancer.

If you are inspired by what we do, then why not help us? If you would like to fundraise or volunteer please drop us an email to contact@shinebrightsupport.co.uk and we can help you get started. In the meantime, follow us on Facebook, Twitter and Instagram to catch up on all the latest news.

How can you help?

Shine Bright Tees

We like to do things a little differently here at Shine Bright Support. For us to stay in the charity game for the foreseeable future, we are hoping to secure funding through selling unique, eco-friendly tees. They are designed by us and printed by Teemill in a factory that runs on renewable energy. We design, you order, Teemill print, we all help families affected by childhood cancer and save the environment.
